**Ivins City Parks and Recreation**

**Staff Report for May 7, 2020**

**By Benny Sorensen**

Drive in Bingo has been quite popular in April, so we plan to continue it in May on Tuesday and Thursday from 9:30 to 10:00 am. On April 28 we had 26 cars and likely 50 to 70 people.

Due to the problems the Corona Virus has caused, the following programs have been cancelled

Ivins Soccer league

Ivins City Baseball league

All Baseball tournaments in April and May

Table Tennis

The Easter Egg Hunt

Hog and Jog 5k fun run has been rescheduled to September 5, 2020

Park facilities that have been re-opened as of April 24, 2020

Fire Lake Park at Ivins Reservoir – Beach and restrooms are open

The following park facilities are open, including; Tennis courts, pickleball courts, skatepark, basketball courts, restrooms and pavilions.

Playgrounds have not been re-opened and the splash pad has not been opened due to the Governors directive, but we hope that playgrounds will open on May 1.

We are doing our best to sanitize restroom surfaces every two hours during regular staff hours.

Cemetery – There were two burials in the month of April

Sarah has been working on cemetery records and has been able to scan most of our paper records and put them in our cemetery program. She has also been able to go through the records to look for any issues that have not been resolved.

Work continues on the detention basin at the Haven development, we are currently putting in the irrigation system which will be followed by sod. After it is finished it will serve as an open grass area for people to use like a park. We hope to have sod down by mid-May.
