Agenda Item: Approval of Expenditure for Pavement Striping for 2020 Spring Pavement Maintenance Project

Submitted by: Thomas J. Jorgensen, P.E., Assistant Public Works Director

Recommended City Council Action:
Approve expenditure of $10,124 for pavement striping for the 2020 Spring Pavement Maintenance Project plus an addition $2,000 for contingency for a total of $12,124.

BACKGROUND:

Following the pavement maintenance for all the various treatments being applied, the striping needs to be reapplied. Staff has received an estimate from Straight Stripe Painting, Inc. to provide striping services to reapply striping to those areas that are receiving maintenance this year. Staff is also having the school crossings and messages refreshed as well, this is an item we typically do each year. There are also a couple intersections along 400 South that will receive stop bars and cross walks. Straight Stripe is the only local provider of striping in Washington County. See the attached estimate for more information.

FINDINGS AND ANALYSIS:

The estimate from Straight Stripe Painting, Inc. was $10,124, plus an additional $2,000 for contingency, for a total of $12,124.

The striping has already been budgeted for as part of the yearly pavement maintenance project. Staff requests that the Council approve this expenditure.
