Ivins City Parks & Recreation - Staff Report June 4, 2020

Fire Lake is crazy busy, not just on the weekends, but every day. We are making efforts to make sure that the restrooms are sanitized at least once each day. We also make sure that there is soap in the restrooms so people can keep their hands clean, if they choose.

Drive in Bingo has been very popular! We had many people come each day had really enjoyed it. We had young and old and everyone in-between come an enjoy Bingo. May 28 was our last day, for now.

The new playground is open and getting lots of use!

Joseph Rawlinson has been hired as our new Parks Supervisor, he started work for us on May 19.

Staff has continued to work on:
Working on planning for Heritage Days, Flag football, The Hog & Jog 5K, hopefully we can go to green soon because trying to have these events under yellow restrictions will be very difficult and likely won't result in a very fun event.

We finished the detention basin at The Haven, it looks very nice and once the grass has taken hold it will be a nice addition to UNITY Park for people to use. I know the homeowners across the street are excited to see a reduction in red dirt blowing into their houses.

Parks and landscape areas, trying to keep ahead of the weeds, irrigation repairs.

We are also trying to make sure that all of our playgrounds and restrooms are sanitized once each day.

Cemetery – The Cemetery looked great for Memorial Day - We had two burials in the month of May.

Dogs off leash – Animal control and public safety have been doing a great job trying to keep a handle on this, but we have people who openly tell us that they know when officers are not on duty and they go out to the park then. One even confessed that it was worth it to them to pay the $45 or $50 ticket they might get.
That being said, most people keep their dogs on leash and follow all the park rules.
