Ivins City Parks & Recreation - Staff Report July 2, 2020

Fire Lake continues to be busy every day, not just on weekends. The bathrooms are sanitized at least once each day and the dumpsters are emptied twice a week to ensure a clean park for visitors.

The reservoir will be closed for 24 hours on Tuesday June 30th for yearly chemical treatment.

Events/Activities

Heritage Days

Heritage Days this year will be Friday September 11, 2020 from 5pm-10pm. It will be condensed into a single evening event, instead of the traditional 2-day event. There will not be vendor booths, parade, soapbox derby or art show. We will still have games, a movie and food trucks. This shortened event will help ensure we can safely follow COVID19 guidelines while still (safely) gathering as a community.

Scavenger Hunt

To celebrate National Parks and Recreation month and help people learn more about Ivins parks and businesses, we will be holding a scavenger hunt the last week of July. Once registered ahead of time, participants will visit each park and various trails to take pictures with hidden scavenger hunt signs and do fun park activities. They then can submit their pictures to be entered into a drawing to win a prize from a local business.

Flag Football

Registration is open now until August 14th.

Tennis camp

Tennis camp for youth ages 5-14 will be held Monday June 29th-Wednesday July 1st at UNITY park tennis courts. The 5-9 age is completely full (16 participants) while the 10-14 age group is over ½ full.

Hog & Jog

The Hog & Jog has been rescheduled for September 5th. We are still looking into how to successfully hold the event in our current restrictions.

Cemetery

There were 6 burials in June.

Parks

Parks and landscape areas, trying to keep ahead of the weeds, irrigation repairs.

We are also trying to make sure that all of our playgrounds and restrooms are sanitized once each day.
