Finance Report
for
Public Safety Vehicle Purchase

Date: *September 3, 2020*

Purpose: *Purchase of Replacement Firearms for Police Department*

Recommendation: *Approve the Purchase*

Background:

The Police Department is upgrading a portion of its firearms and has received a quote of $13,436 for the firearms, sights, and light attachments. Law Enforcement has a budget of $35,000 for special department supplies (GL code 105448.0) and currently has $1,789.12 against that budget YTD.

The existing firearms will be purchased by the vendor for resale and will net against the purchase. The estimated value of the repurchase is $3,250, for an estimated net cost of $10,186.

Staff recommends the City Council authorize the purchase of the new firearms and attachments for Law Enforcement.
