Public Safety Department
September 2020 City Council Staff Report

POLICE

Investigations had a burglary near Unity Park, in the Heritage Homes Development. Due to good teamwork, the suspect was located and subsequently arrested.

A call was placed for an aggravated robbery, with a weapon threatened, at Lightfoot's Gas Station in Santa Clara. Investigations worked to identify a potential suspect vehicle and had Dispatch broadcast an Attempt to Locate. Mesquite Police Department located the vehicle the next day and contacted our agency. The subjects are currently detained in Las Vegas, Nevada, on their charges. We are getting arrest warrants and bringing the two subjects back to face charges for the robbery.

Felony damages were reported at the new BMX Park in Santa Clara. Det. Bate was able to identify the subjects through the school system and contacts. Charges were filed on the two juveniles.

We received the radar grant, which is worth approximately $14,000. The grant will allow our agency to update our old radars that need replacing. They will be shipped next week.

There is an opening for a crossing guard that will be posted until filled.

Sgt. Briggs attended a homeowner association meeting in Kayenta. A variety of topics were discussed.

Sgt. Hallman attended Sniper School. We congratulate him on a successful graduation.

ANIMAL CONTROL

We had 17 dogs and six cat intakes this month. There were eleven dogs and one cat that owners reclaimed. Our adoptions were four dogs and three cats. We received one dog from the Washington County Sheriff's Office this month, and our monthly donations this month was $325.

The shelter has had continued wildlife reports with badgers, bobcats, snakes, foxes, and coyotes. We have been working with the Department of Wildlife to keep our citizens comfortable and knowledgeable regarding our wildlife.
