To whom it may concern:

I thank you for the opportunity to apply for the mid-term vacancy on the Ivins City Council. Since moving to Southern Utah almost 14 years ago, my wife who is a Registered Nurse, and I have desired to live in beautiful Ivins.

I believe it is my responsibility to contribute to the city that I reside. I have strived to do this by participating in cleanup activities, supporting our No-kill shelter and the arts, to mention a few. As a community member, I have attended a number of City Council Meetings and have provided my opinion on a specific zoning matter concerning my neighborhood. I understand that that as a City Council member any personal bias I may have needs to be set aside and if a conflict exists, I would seek the City Council advice and if a conflict exists I would declare a conflict and remove my self from the action.

As a Realtor, I have participated in the numerous activities that support Cities, Business and the Arts both financially and volunteerism. It is my hope that offering to serve in the Ivins City Council will be beneficial to the city I care about, just as it was when I worked in the communities I lived in as a Law Enforcement officer for 39 years.

Your consideration is appreciated,

Sincerely

Paul Bryson
