Fire & EMS Monthly Update-

Training-EMS training hours 32 hours. We were pleased to have Mayor Hart attend our monthly training and introduce the Emergency call box system. We look forward to working with the Mayor and participating in this project.

Fire Training 18 hours. We deployed and reviewed the Hazmat decon tent used for emergency and gross decon.

The Hazmat Operations class completed on the 24th with three department members, Jessica, Christopher, Joe spending a total of 44 hours each participant in the class.

Officer 1 class was attended and completed by Capt. Tobler and Rachel. Total 48 hours each participant.

Shay completed her EMT course and passed National Registry Testing. Shay is working on orientation shifts and then will be eligible to work part time.

Wildland-The Seasonal crew responded to the Veyo Road Fire just South of Veyo. The crew assisted with initial attack and stayed with the fire to patrol and complete containment for a total of 6 days.

The crew also deployed to the Lava Ridge Fire located 3 miles north of Turkey Farm Road. The crew was on the fire for two days.

The Seasonal Wildland Crew will complete this year on November 4th.

Special Events-Crews participated in the Lava Ridge Career day. Wildland, Fire and EMS equipment were show cased and questions answered.

Crews participated in Red Ribbon Week at Vista School. Students were able to ask questions and looked at Fire & EMS equipment.

Donation- The Santa Clara-Ivins Fire Department has received a generous donation to buy needed fire equipment. This donation will allow us to purchase needed Self-Contained Breathing Apparatus or SCBA, with Masks, and extra bottles. This equipment is needed to supply our firefighters with breathing air during firefighting operations. With the donation of this equipment, all of our engines will be outfitted with the most current standard of SCBA equipment. We are truly grateful for the donation and the support of our community. Thanks for your support!
