Dear Governing Board:

Thank you for giving us the opportunity to submit this contract extension for audit services for Ivins City. In this document we outline the independent auditing service we plan to provide to the City for the years ending June 30, 2021-2025.

FEE PROJECTIONS

We have prepared a preliminary time and expense budget for the next five years. In making these budget projections, we assumed that the City's staff will be available to prepare schedules, prepare trial balances, and provide documentation to assist our auditors during the course of our audit. Based upon these preliminary budgets, we project that our general audit fees will not exceed those indicated in the following schedule:

Year	Audit Fees
2021	$17,900
2022	$18,300
2023	$18,700
2024	$19,100
2025	$19,500

In the event of a single audit on federal grants, the additional fee is $4,000.

Should our actual fees be less than the above proposed maximums, we would bill the lesser amount. Also, should we encounter any difficulties beyond our control that would increase our fees, we would discuss these with management or your audit committee prior to proceeding.

CONCLUSION

Thank you again for giving us the opportunity to extend our audit services. We plan to continue providing Ivins City with not only a cost-efficient audit, but also the interactive, readily available source of expertise you have come to expect.

Should you have any questions regarding this extension, please call Jon Haderlie at (801) 798-3545 (o) or (801) 616-6164 (c). We are eager to serve you, and we look forward to working with you again soon.
