Public Safety Department
February 2021 City Council Staff Report

POLICE

Our Victim Advocate assisted 38 victims so far this month; 21 of the 38 were under the age of 18. Services included assistance with safety plans and repatriation for violent crimes.

An officer responded to an assault/rape incident report. A detective, and a supervisor assisted in the investigation. The suspect was located, interviewed, and arrested. Great work for all involved in the incident.

There have been a few business burglaries in Ivins this month, including a construction site where equipment was taken. SCIPD found burglary tools that were used in the crime. St. George Police Dept. and Washington City Police Dept. have had similar burglaries.

Officer Bate completed a Child Passenger Safety (CPS) Technician course and is now certified. The course is a 3-4-day curriculum that includes lectures, written quizzes, hands-on skills assessments, including a checkup event for car seats. SCIPD now has three certified CPS technicians.

ANIMAL CONTROL

The Santa Clara-Ivins Animal Shelter took in 21 dogs with 15 reclaimed and took in six cats and one reclaimed. There were five animals adopted and one sent to rescue.

The Shelter has had a good steady month. There have been Lots of calls regarding city ordinance information for new residences and people in the process of building in the area. Officers caught a beautiful ring tail cat inside the Fire Department's bays. He was safely relocated.
