BACKGROUND: Sentierre Padre Canyon Resort is a RC (Resort Commercial) zoned parcel located on 42.75 acres at approximately 800 N. The hotel core design includes about 108,000 square feet of enclosed space, approximately 45,500 square feet of underground parking (130 vehicles). The hotel features 8 kitchenette suites, 38 studio suites; 16,000 square foot spa, salon and fitness gym, along with 8 spa suites; 7,000 square foot pool complex with indoor and outdoor pools, quiet adult pool, and a bar and grill; various garden and courtyard areas will also be included as provided amenities. In addition, a 10,500 square foot event building is proposed housing meeting space, 3 restaurants, bar/lounge, and two virtual reality golf simulators.
