Parks

The Splash Pad will close for the season this week and we will put the showers at Fire Lake away for the winter.

Staff has been busy with Heritage days and have been working on preparation for the new city hall landscape as they are able to work around the regular construction crews. They have the Ivins City West Pavilion ready for the Johnson Family to set up for the Haunted House on October 28th, 29th & 30th

We are continuing our weekly mowing, weed killing, cleaning up our landscape areas, keeping up with irrigation issues schedule.

Cemetery – 3 burials in the month of September.
There are about 70 traditional burial plots and 50 cremation plots available in the cemetery. We are working to get the next section ready to go as soon as possible.

Vandalism – For some reason, the skateboarders don't have enough to do at the skatepark, so they like to come and destroy the pickleball nets at UNITY Park?
