Dear Kari Jimenez

Greeting! My name is Judy Lehman, Color Country Chapter chairman of NSDAR American Indian Committee. This committee is entrusted to the continuing education of the history and culture of our Native American citizens. The month of November is our National American Indian Heritage Month approved by President George Bush in 1990.

I am requesting to be put on your October agenda to have your mayor sign and present a Proclamation that I attached, to me. I urge all our citizens to observe this month with appropriate programs, ceremonies and activities.

DAR members further these objectives by educating ourselves and the general public, promoting cultural activities and providing financial and material assistances to the DAR supported school, (Beacon College in Muskogee, OK, and Chemawa Indian School in Salem, OR). Also American Indian Youth Summer Camps (AZ and SD) scholarships open to only Native American.

If your schedule allows me in the October council meeting, please contact me. I appreciate your consideration and thank you for all of your assistances.

Our November 13th meeting starts at 10 am, with the program of famous Native Americans who served during the American Revolution, that will be at the American Legion Hall. There is a fund raiser with an American Indian raffle basket.

Sincerely,

Judy Lehman, American Indian Chairman
