PROJECTS

Ivins City Skatepark

I love Ivins City. My desire is to serve the residents of Ivins in the best way possible, to promote manageable growth through reasonable building and zoning requirements, and balance personal property rights, concerns of current residents, and the needs of the City that are in harmony with the general plan.

Thank you for considering me for this vacancy.

SKILLS

I own and operate 2 successful automotive maintenance and repair facilities in Washington County.

Familiar with Public Service

Notable accomplishments

Supported the updating and creation of many building codes and lighting requirements that are unique to Ivins City.

Supported the donation of Ivins City property to allow the Veterans Home to locate in Ivins.

Supported Rocky Vista University in coming to Ivins.

I ran for election three times narrowly missing the most recent election by less than 50 votes.
