Ivins City Parks and Recreation

Staff Report for May 5, 2022

By Benny Sorensen

Bingo in the park continued to be very popular in April. We played on Tuesdays and Thursdays from 5:00 to 5:45 pm. We always have 20 to 30 players of all ages.

The easter egg hunt and the Hog and Jog were lots of fun!

Sarah is getting ready to start baseball once soccer is finished. She has also scheduled a tennis camp for June 6 – 9.

She has also put together another free concert in the park for May 13 at 7:00 pm at Ivins City Park. The concert will have local talent sharing their musical skills.

Ironman - After a request from the police, we will be closing Fire Lake Park on Saturday, May 7, 2022 until 3:00 p.m.. Ironman will be escorting traffic through the area on Highway 91 from Kwavasa (600 W) to the Gunlock turn off and having the park open could create a dangerous situation for riders. We will put out signs letting people know it will be closed.

Cemetery – There were 3 burials in the month of April

Parks - We are working on the Corn Hole area to make it a more of a soft playing space. We have dug out the rocks and will put playground wood chips to make it softer and cooler.

Vandalism – We have had people decide that they do not like the way the plants in our landscape buffer look, so they have decided to hack them to pieces. This causes damage to the plants and some may not survive, if they do, they will never be healthy again. They seem surprised when we call it vandalism and when we have the police come to investigate.
