# Public Safety Department
# May 2022 City Council Staff Report

## POLICE

Officers responded to two structure fires this month, one in Santa Clara and the other in Ivins City. They assisted with the scene and crowd control while the Fire Dept. extinguished the fires.

Detective Bate attended a SWAT Tracking School in Kane County. Washington County Metro SWAT set a new course record for the GPS tracking course.

Officers responded to a business alarm at the Canyon Crossing gas station. When officers arrived, they found the front door glass broken, and consumable goods were stolen. Several minutes later, officers discovered the suspects had entered Lightfoot's gas station and stolen consumable goods. The case is still active, and detectives are following up on leads to locate the suspects.

Officer Carter made a traffic stop in Santa Clara. The subject driving was found to be almost three times the legal limit and arrested for DUI, warrants, and other traffic offenses.

The Code Enforcement officer has had 20 total cases so far in May. Twelve cases were in Ivins City; five are still open for follow-ups.

During May, the Victim Advocate assisted 21 victims, seven children, and 14 adults. The services included protective orders, a stalking injunction order, and other crisis-related calls.

## ANIMAL CONTROL

The shelter's new normal is full of dogs, and they have been dealing with many intakes. SCI Animal Control received 45 dogs, 23 cats, and eight other intakes this month. Thanks to rescues, they have been able to get some of the dogs out of shelter care.
