Personnel development
Fire Captain Monahan had been hired and has replaced Captain Tobler. He comes from Kern County California with 20 plus years of experience.
Firefighter/Paramedic Logan Costello has been hired; he begins in July. He has experience with the National Forest Service as a firefighter and has worked in Southern California as a full-time firefighter paramedic.
Firefighter/Paramedic Dustin Benoit has been hired; he begins in July. He has experience with the as a firefighter and paramedic in Texas and is currently a firefighter with Cedar Mountain Fire.
Firefighter/Paramedic Ryan Moore has been hired; he begins in July. He has experience with the as a firefighter and has worked in Southern California as a full-time firefighter paramedic. He was part-time with SCIFR and works for Gold Cross as a paramedic.

Community Affairs
Met with Kayenta Homeowner's Association to discuss fire department operations.
We are waiting to hear back on our fuel's modification grant for Kayenta.
SCIFR provided several "last day of school" meet and greats.
We provided EMS support for the Iron Man event, staffing all three of our ambulances and UTV.

Apparatus & Station Maintenance
Repaired & serviced two brush trucks, repaired two light vehicles.
Three apparatus received new decals.
Center Street Station received new phones, office space and rehabilitation of crew quarters.
We are currently specking our ladder truck and collecting data for our potential station build.

Emergency Operations
Crews began training with equipment and tools for structure firefighting, using the 3/2 deployment models.
