"APPENDIX A"

ISO RATING SYSTEM FOR SCIFR

***HIGHEST SCORE of 105.5 points is a CLASS 1 fire department. 0.00-9.99 points results in a CLASS 10 rating. Prior to merger Class 7, since merge class 4/4X (SCIFR Score 63.24) (4=60-69 Points)

1. **Emergency communications systems** - A review of the emergency communications systems accounts for 10 points **(9.85)** of the total classification. The review focuses on the community's facilities and support for handling and dispatching alarms for structure fires.

ACTIONS TAKEN TO IMPROVE IN LAST 3 MONTHS

- Station Alerting Improvements
- County Dispatch Interface
- Active 911 Alerting Apps
- Tough Book Apparatus Computers

2. **Fire department** - A review of the fire department accounts for 50 points **(23.31)** of the total classification. ISO focuses on a community's fire suppression capabilities, measuring suppression capabilities based on the fire department's first-alarm response and initial attack to minimize potential loss. ISO reviews such items as engine companies, ladder or service companies, deployment of fire companies, equipment carried on apparatus, pumping capacity, reserve apparatus, company personnel, and training. Goal to increase 18 Points by 2030 by adding staffing.

ACTIONS TAKEN TO IMPROVE IN LAST 3 MONTHS

- 2 Person Dedicated Engine / Brush Engine Company 2 Person Ambulance/FF. JULY 1st, 2022: 3 Person Fire 2 Person Ambulance/FF
- Improving Training Records
- Ivins Station Deployment for Part Time and Volunteer Staff (Requires time to show data)
- Includes Moving Apparatus to Ivins That Allow for a Realistic, Legal, & Safe Volunteer & Part Time Staff Response
- 2 Person Cross Dedicated Staffed Engine Response at Ivins (2023)

3. **Water supply** - A review of the water supply system accounts for 40 points **(34.36)** of the total classification. ISO evaluates the community's water supply system to determine the adequacy for fire suppression purposes, considering hydrant size, type, and installation, as well as the frequency and completeness of hydrant inspection and flow-testing programs.

ACTIONS TAKEN TO IMPROVE IN LAST 3 MONTHS

- Signed Kayenta Hydrant Agreement
- Hydrant GPS Sourcing Through Active 911

4. **Community risk reduction** - A review of a community's risk reduction efforts is credited to them in the Community Risk Reduction section, which allows for extra credit of up to 5.5 points **(3.58)**. The review considers fire prevention code adoption and enforcement, public fire safety education, and fire investigation.
