Ivins City Parks and Recreation

Staff Report August 4, 2022

By Benny Sorensen

Fire Lake Park at Ivins Reservoir continues to be very busy every day. People really seem to enjoy it and, for the most part, follow the park rules.

We are continuing planning for Movies in the Park, Flag football and Heritage Days.

Movies will be;

August 5th – Sword in the Stone

August 12th – 101 Dalmatians

August 19th – Inside Out

August 26th – Hairspray

Cemetery – There were four burials in the month of July.

We have 12 traditional burial plot available for sale. The new section is going out for bids, so we hope to get going on the new section as soon as we can.

The Parks Staff continues to work hard keeping everything looking good.

Staff treated Fire Lake to kill vegetation on 8-3-2022

We had graffiti at the skate park this past weekend. Staff used chemical graffiti remover, the cold pressure washer and the hot pressure washer.

Getting complaints from residents about people who like to let their dogs off leash and about people not cleaning up after their dogs (often the same offenders). Some people feel that it is someone else's job to pick up after their dogs.
