FIRE DEPARTMENT UPDATE

July 2022

Administration/Executive Leadership

- There is a meeting planned for the 2nd week of August with Washington County to discuss additional funding.

Risk Reduction

- Hydrants were tested on Pioneer Parkway
- We are working with Tuacahn to come up with a fireworks agreement.

Personnel development

- A wildland drill was conducted with three separate duty crews in the Kayenta neighborhoods.
- SCIFR has begun the process of preparing a staff member for paramedic school and EMT Basic school.
- With the new budget year, we have begun our 3-2 deployment.

Community Affairs

- Crews assisted an Ivins homeowner with securing his home after winds damaged his tile roof.

Emergency Operations

- Crews responded and were the first to arrive on Motoqua for the Dodge Springs Fire. We worked with Utah BLM, Enterprise crew, & responding aircraft.
- Crews responded to 2 calls on Route 91, one was a roll-over traffic accident the other was a motorcycle down.
- SCIFR staffed Engine 32 with personnel in Ivins on July 4th & July 24th
- A meeting was scheduled with BLM State FMO, Ryan Riddle to develop a plan for response into Motoqua and surrounding areas.

Organizational Support

- We placed our new ambulance in service on July 19th
- During the month of July, we have prepared the Center Street Station for occupation. We can house a crew of two.
- Center Street Station received a security update. A storeroom is prepared to receive all the necessary gear that will be needed to operate out of the station.
- There is another meeting on August 4th with county fire chiefs to discuss dispatch programing.
- The Rachel & Center Street station will have their station alerting equipment finalized by end of month.
- We have begun the process of updating our equipment with new graphics to match our new ambulance.
