Ivins City Staff Report
Planning Commission Meeting 8/16/22

Agenda Item: Final Plat Report for Kwavasa Phase 2A, located at approximately Evening Star Drive. SITLA-Owner. Kayenta Development/Lance Anderson-Applicant.

Submitted by: Mike Haycock, Building & Zoning Administrator

Recommended Action: Staff Recommends approval.

DISCUSSION: Kwavasa Phase 2A consists of 3 lots on 3.415 acres. The land use is Low Density Residential. The property is zoned RE-43 with lot averaging (Single Family Residential Estate, minimum 43000 sq ft.), which is one of the zones allowed for Low Density Residential. The proposed density and use is consistent with the Land Use Map.

FINDINGS AND ANALYSIS:

- The Final Plat application is complete.
- The subdivision complies with City ordinances by obtaining and satisfying any documentation requested by City engineer or other appropriate City Staff member regarding agreements with adjacent owners, agreements for the provisions of utilities and easements, encumbrances, traffic impacts, and compliance with Federal, State and local requirements.
- TRC reviewed the plan on 8/2/22 and recommends approval.

SUPPORT MATERIALS:
