Ivins City Staff Report
Planning Commission Meeting 8/16/22

Agenda Item: Final Plat Report for Posovi Phase 3I, located at approximately Talatawi Way. Kayenta Development, Inc-Owner. Lance Anderson-Applicant.

Submitted by: Mike Haycock, Building & Zoning Administrator

Recommended Action: Staff Recommends approval.

DISCUSSION: Posovi Phase 3I consists of 1 lot on 1.998 acres. The land use is Low Density Residential. The property is zoned RE-43 (Single Family Residential Estate, minimum 43000 sq ft.), which is one of the zones allowed for Low Density Residential. The proposed density and use is consistent with the Land Use Map.

FINDINGS AND ANALYSIS:

- The Final Plat application is complete.
- The subdivision complies with City ordinances by obtaining and satisfying any documentation requested by City engineer or other appropriate City Staff member regarding agreements with adjacent owners, agreements for the provisions of utilities and easements, encumbrances, traffic impacts, and compliance with Federal, State and local requirements.
- TRC reviewed the plan on 8/2/22 and recommends approval.
