GENERAL NOTES & RESTRICTIONS

1. There exists a 10.00 foot public utility and drainage easement along all street side property lines and a 7.50 foot public utility and drainage easement along all side and back lot lines, or as drawn or otherwise noted.
2. Setbacks on all lots are as follows unless otherwise noted: 25.00 foot front yard setback. 10.00 foot side yard setback. 10.00 foot rear yard setback.
3. A Geotechnical investigation was performed by AGEC, inc. Project # 2220960, The investigation results and specific recommendations for the construction of foundations, floor slabs, and exterior flatwork are compiled in a report dated June 9, 2022. This report is available from the developer and a copy is on file with Ivins City. Owners, builders, and contractors should become familiar with this report and comply with its recommendations.
4. All coordinates listed are Utah South Zone NAD 83 State Plane (Grid coordinates).
5. All distances listed are ground distances and are a true representation of monuments and improvements placed or to be placed on the ground. (unless otherwise noted).
6. Rebar & Cap marked Alpha Engineering PLS 174919, to be placed at all rear lot corner locations. Mag nails to be placed in the curb at an extension of the property line.
7. Dimensions shown take precedence over scale.
8. Landscape maintenance, and control along the westerly right of way line of 200 West Street shall be the responsibility of Vista Estates Ivins LLC
9. All approved sewer mains and manholes within public and private streets are public and shall be maintained by Ivins City unless otherwise noted. All laterals, grinder pumps, and low pressure sewer systems are private and maintained by the property owner.
10. All approved drainage improvements located within public streets and specified easements are public and shall be maintained by Ivins City unless otherwise noted. Drainage improvements in private streets are private and shall be maintained by the property owners.
11. All approved water and irrigation improvements are public and shall be maintained by Ivins City unless otherwise noted. All fire hydrants and their appurtenances within this subdivision are public and shall also be maintained by Ivins City, unless otherwise noted. Fire lines to buildings are private and shall be maintained by the property owner.
12. The geotechnical investigation identified that collapsible, soils are present within this subdivision. Owners, builders, and contractors should review the geotechnical report mentioned above for special recommendations for the design and construction of structures and sites. Ivins city is not responsible for any damage to structures and sites as a result of shifting soils.
