FIRE DEPARTMENT UPDATE

September 2022

Administration/Executive Leadership

- We are working on several agreements for our apparatus, one includes a lease of a fire truck to Dammeron Valley for use in their fire academy
- We consolidated some budget items to reflect our current staffing for Center Street and are working on program planning needs to prepare for next year's budget
- Discussion planning for Center Street re-build is in process, ideas include using the existing Center Street Fire Station property with an East to West driveway flow, allowing the ball field to remain in place

Risk Reduction

- Kayenta Tamarisk project is in the processes of receiving County assistance for fuels mitigation
- We are in the process of updating Santa Clara Fire Code adoption of Utah State standards (2018 IBC)
- Black Desert plan reviews are in full swing, and we have assigned additional personnel to assist with city inspections

Personnel development

- We will be having our official badge pinning at Santa Clara City Hall next week 9/28
- Response training and procedures were developed for Tuacahn housing apartments.
- Two members are undergoing EMS training at Dixie Tech and 2 more will be attending paramedic school at Mohave Community College in 2023.
- Firefighters are undergoing training at Dammeron Valley Fire Academy in cooperation with Dammeron Valley Fire District.

Community Affairs

- We hosted open house for the community during Heritage Days.
- Planning is underway to assist with CERT training at Center Street Station
- Personnel will also be supporting Swiss Days in Santa Clara
- There are several burn projects scheduled for fuels mitigation, including the drainage adjacent to Cordero Drive in Ivins
