Mayor Hart's questions and revisions

LET'S PLAN IVINS FUTURE TOGETHER

As we move forward with our General Plan Review the City Council wants to obtain as much input and information from you our residents as we can. We deeply desire to hear from all of you so please, please, please fill out and return this survey regardless of where you live in the city, how long you've lived here or plan to stay, your age or your family make up. It will only take a few minutes to complete so you can easily participate. After all, It's "our community" so we should "Plan Ivins Future Together."

Please return your completed survey (one per household)
in the enclosed postage pre-paid envelope no later than November 20, 2022.
The return envelope has a coded number rather that your return address to protect your privacy.
The code will only help us establish general areas of the city from which the responses are coming.
