Ivins City Staff Report
City Council Meeting 10/20/22

Agenda Item: Approval of expenditure for streets pavement maintenance – crack seal materials

Submitted by: Charles R. Gillette, P.E., Public Works Director and City Engineer

Recommended City Council Action:
Approve expenditure of $28,509.20 for crack seal materials.

BACKGROUND:
Staff has identified locations throughout the city that need pavement maintenance as part of this year's maintenance program. This winter, the city crews are planning on filling those cracks in the asphalt in preparation for the pavement maintenance that will take place in the spring. Sealing, or filling, pavement cracks with asphalt sealing material prevents water from entering the base and subbase of the roadway and will typically extend the life of the road by three to five years.

FINDINGS AND ANALYSIS:
State Contract pricing usually represents the best possible pricing that the City can get for this material. Crafco has submitted a quote based on State Contract MA3278. This represents one full flatbed trailer load of material at $26,989.20 plus $1,520 for delivery. It is best to order the material one full load at a time to reduce delivery costs even if not all the material is used until the following year.

SUPPORT MATERIALS:
Quote – Crafco

FINANCIAL IMPACT:
This expense is budgeted and expected in budget line GL10-6051.5: $28,509.20

Respectfully Submitted:

Charles Gillette, P.E., Public Works Director & City Engineer

Pavement Preservation Products Restocking Policy

RETURN POLICY
Crafco will only accept the return of products that have been authorized in writing in advance, and proof of purchase is required. Not all purchases are returnable. This is a Return Policy for non-warranty claims. Refer to the product data sheet for information about warranty and claims for warranty reimbursement.

All returns are subject to restocking fees.
All products returned must be in the original packaging and be in good and salable condition.
Crafco reserves the right to charge repackaging fees in addition to restocking fees.
The customer is responsible for all shipping costs of returned products.
Request information on the acceptability for returns for any specific product when ordering.

Non-Returnable Products
Not all products are returnable. Products that have a shelf life or are considered made to order, or special order may not be returned. No used parts may be returned and any part or product that is non-standard or obsolete is not returnable.

Product	Return Status
Athletic Surfacing Products, Cure & Commercial Liquids, Equipment, Geocomposites, Paint, Sealcoat, and Silicone	Non-Returnable

Restocking Fees
All returnable products have a restocking fee if returned.

Product	Restocking Fee
Parts	15% of part purchase price
All Other Products	25% of product purchase price

How to Return an Item

1. To obtain authorization contact your customer service representative.
2. A written authorization will be faxed or emailed to you.
3. A copy of the Return Authorization must accompany the material being returned.
