Brad Johnsen

Artist

A passion for painting and unique painting styles are evident in Brad's art work, that sets him apart from the rest of the field. His Modern Abstract collections are characterized by contrasting textures, vibrant colors, and explosions of light, captured in his unusual processes of blended mediums.

Brad's artistic process began as he studied art at Brigham Young University, where he was asked to donate several pieces to the University. Brad's art work is also displayed in many private residences in the U S as well as model homes, galleries, and interior design firms.

He "likes getting his hands into the acrylics and dyes as part of the process, in becoming part of the colors placed on the canvas". Brad's diverse subject matter is in part inspired by the beautiful Southern Utah natural wonders found in his own back yard.

Custom creations are available as you decide the size, number of canvases, specific colors, and the theme that you desire Brad to paint, to fit your personal space. In addition to canvas paintings, Brad also custom paints sofa and coffee table tops that are covered with glass.
