Mojave Village

Narrative of Preliminary Plan

AnA Enterprises LLC has just under ten acres at Guy Lane and Fitness Way and is proposing 95 resort hotel units with overnight rentals. The resort hotels will be put in a pool of rentals and be available to rent if the owner so chooses. There will be a club house and amenities such as a pool, pickleball courts, etc.

The preliminary plan is showing proposed heights and location of all buildings. We will meet all Ivins Design guidelines such as color, lighting, materials. There will be a designated space in the clubhouse to accommodate checking in and out guests. As the plan further develops, applicant with provide further information.
