Geology Lecture
Wednesday March 29th at 7pm at Ivins City Hall (85 N Main)

THE GEOLOGICAL HISTORY OF THE PINE VALLEY MOUNTAINS
If you've ever wondered about the origin of the Pine Valley Mountains (PVMs) then this is the presentation for you. Geologist, Marc Deshowitz will discuss the geologic history of our region and explain how and when the Pine Valley Mountains formed as well as a new idea that might provide more detail about their genesis. The

PVMs are believed to be the largest feature of its kind on our planet which makes this presentation a must see for all.

About the Presenter:
Marc is a native of the Boston area. Upon completion of his undergraduate and graduate studies in Geology, he went to work in the energy sector for 30+ years, including five years in Research & Development. Marc and his wife are Ivins residents and are proud grandparents to 7 grandchildren.

Register at ivins.recdesk.com (no fee) to attend in person. If you'd like to watch without attending in person, find the YouTube link under ivins.recdesk.com under News or Programs.

Sand Hollow Aquatic Center

Ivins City has an interlocal agreement with the City of St. George that allows Ivins residents to use the Sand Hollow Aquatic Center for the resident rate. This is a great facility that offers year-round water fun and fitness. There is a leisure pool for fun and a lap pool for fitness, they offer swimming lessons and a variety of special events throughout the year. Sand Hollow Aquatic Center is a wonderful facility and we encourage you to take advantage of the opportunity to use it! 435-627-4585

Also, the Coyote Tales info from Vic's email. It doesn't have to be in the Parks and Rec page, I know it's been at the back of the newsletter before.
