Ivins City Staff Report
Planning Commission Meeting 3/21/23

Agenda Item: Amended and Extended Preliminary Plan Report for Movara Villas, located at approximately 290 West Fitness Way. Movara Fitness, LLC-Owner. Cameron Kelsch-Applicant.

Submitted by: Mike Haycock, Building & Zoning Administrator

Recommended Action: TRC Reviewed and Staff recommends approval.

DISCUSSION: Movara Villas consists of a total of 20 units on 1.75 acres. They are requesting to add a unit for a total of 21 units. The land use is Community Commercial, Community Professional and Community Resort. The property is zoned MU (Mixed-Use) RM (Residential Multi-Family) and C-1 (Commercial). The Zoning Administrator determined that the application was complete and met the required zoning against the existing land use.

PURPOSE OF THE PRELIMINARY PLAN: A Preliminary Plan application is the second step in the subdivision process. Its purpose is to show Staff and the Planning Commission that the application has been reviewed to make sure it conforms to the zoning, and subdivision code requirements and to verify utilities and grading before preparing the final mylar for signature and recording. Property address, certified legal description prepared by a Utah licensed surveyor, acreage, dimensions and tax identification number were reviewed, as well as;

Existing streets (with names) and right of way widths, buildings, culverts, bridges, waterways, irrigation ditches and systems, wells, springs, utilities, fencing, easements, rights of way, flood boundary, surface watercourse features, geologic hazards, parks, trails, open space, storm drain and sanitary sewer systems, topography (contours at maximum 2 foot intervals), survey monuments, section lines, other features and infrastructure on or adjacent to the property or as requested by the city manager, city engineer or other appropriate city staff member;

Proposed subdivision boundary and dimensions, streets (with names and widths), lot layout, lot sizes and dimensions, phasing, gross lot density, curbs, gutters, park strips and landscaping, waterways, demolition, sidewalks, fencing, easements, parks, trails, open space, public land dedications, storm and subsurface drainage systems, detention areas and potential flood boundary, sanitary sewer system, utilities, soil erosion and sedimentation control plan and any other infrastructure or improvements on or adjacent to the property and any other information requested by the city manager, city engineer or other appropriate city staff member;

"Preliminary grading plan", as defined in chapter 2 definitions of title 15, Subdivision Regulations, and in accordance with the standard specifications;

Designation of common areas and amenities available for use of residents, commercial area customers and the general public;

Preliminary landscaping plan; Preliminary lighting plan; The acreage and legal description of the area to be subdivided; and

All property lines of adjacent properties within one hundred fifty feet (150') of the boundary of the proposed subdivision with the names of the owners and the parcel tax identification numbers. (Ord. 2016-02, 2016) as well as a draft Development Agreement.

FINDINGS AND ANALYSIS:

- The preliminary plan application is complete.
- The subdivision complies with City ordinances by obtaining and satisfying any documentation requested by city engineer or other appropriate city staff member regarding agreements with adjacent owners, agreements for the provisions of utilities and easements, encumbrances, traffic impacts, and compliance with federal, state and local requirements.
- Grading cross sections were added with sufficient detail.
- TRC reviewed the amended Preliminary Plan on 3/14/23 and recommends approval. A shared parking document was filed as recorded and TRC recommended the developer to refer to all elements of the General Plan in their design process.
