FIRE DEPARTMENT UPDATE: APRIL 2023

Community Relations

- Medic 32 provided EMS stand-by for the Autism walk
- Crews participated in the Great Shakeout, "Go to the Box" in Ivins
- Crews provided EMS stand-by at Tuacahn for a music concert
- Mayor Rosenburg was Grand Marshall for the Washington County Fair parade, crews paraded SC Council in our vintage fire engine
- The Rachel Fire Station is now receiving medical waste sharps as a convenient safe way for residents to dispose of their medical sharps

EMS

- Crews provided CPR instruction for over 40 city staff members

Response Planning

- NextGIS software pre-plan has been integrated into our mobile response apps.
- We have installed a new scheduling, training, and data-tracking software system
- Black Desert response mapping has been completed
- New radio channels for fire response have been proposed and waiting for UCA approval

Training

- One member completed arson investigation training; she is also POST certified
- Two personnel are completing UFRA pump certification
- Crews met for an on-site emergency drill at Black Desert with several hundred staff members

Emergency Response

- Crews provided EMS care for a patient who fell in the Snow Canyon lava tubes
- Crews provided EMS care for an injured patient at Gunlock Falls
- 118 calls for service (4/26)
- All members have completed their pack test in preparation for the upcoming wildland fire season

Volunteers

- Fire Explorers held several Wednesday night meetings

- Volunteers participated in vertical ventilation and shoring with C Shift

Health & Wellness

- We are awaiting a response from DPS regarding a mental health wellness grant

Facilities & Vehicles

- The Center Street fire station received a new keyless access system
- We have moved all of our vehicles & equipment into a new fleet management software
- We have moved to vehicle leases, which reduces our annual capital expenses & maintenance costs
- We are applying for grants to install station generators at both stations

Risk Reduction

- Black Desert will be receiving delivery of type 5 wood lumber for the next phase of their development
