Subject: Development agreement

Dale,
I would like to amend the Vista subdivision development agreement to include exterior colors with a LRV of up to 80. Reference the agreement 2 b ii which is attached.

This project is in the old historic part of town and backs to Troy's Automotive. Most of the homes in this area have no restrictions on the exterior color. Please let me know what needs to be done to make this work.

Thank you for your consideration.
