Ivins City Parks & Recreation - Staff Report June 1, 2023

Fire Lake is busy all the time.

The Concert in the Park on April 12 was great, hopefully we can do it again soon.

Baseball is going well, we had one rain out on the first night, but we will get it made up.

The splash pad is open!

Staff continues to work on:
Planning for Heritage Days, Flag football, Movies in the park, a day trip to Bryce Canyon.

Cemetery – The Cemetery looked great for Memorial Day - We had one burial in the month of May. We have had two burials, so far, in the new section and have sold 23 plots.

We are a little more than halfway finished with the new section.

We are battling weeds everywhere and hope to get them under control soon.

This a report that Joseph provided to me for new areas, landscape installation, outstanding projects, and Square Foot of areas that have happened while he has been here. This is in addition to the everyday things that they do.

Total square foot and acreage: 2,140,360 SQFT – 49.1 Acres

2020: Haven ROW, Arrowhead ROW, Haven Sod removal, installed landscape for Fire Lake Park entry sign on HWY 91, installed landscape for entry sign on Highway 91, Ivins City Heritage Park remodel and salvage, preformed several burials, refreshed playground surfacing material, many hours of tree work, removed a section of sod at Ivins City Heritage Park and installed mulch as well as irrigation in area.

2021: Mojave ROW, Red Mountain Vista ROW, built Ivins City Heritage Park stage, Sidewalk repair and replacement in multiple parks, preformed several burials, continued improvements at Ivins City Heritage Park, refreshed playground surfacing material, repaired splash pad mainline, replaced sod at chancel with decorative rock, installed landscape around new City Hall, many hours of tree work, took on cleaning the inside of City Hall.

2022: 200 N ROW, Altura ROW, Anasazi Vista ROW Azalea ROW, built mobile steps for stage at Ivins City Heritage Park, replace and repair many sidewalks, preformed 39 burials, replaced failed control board in splash pad at UNITY, many hours of tree work, installed fence around Unity Park pickleball courts, participated in Utah State's water conservation efforts aka flip blitz, installed hand dryers at Fire Lake Park, installed cornhole court at Ivins City Heritage Park, updated mulching in many areas, relandscaped Police Station.

2023: Projected areas -- Black Desert ROW, Black Stone ROW, Indigo ph2 ROW, Mojave ph2 ROW, Movara Villas ROW, Red Mountain Terrace ROW, Unity Village ROW, Vista Estates ROW, Desert Cove ROW, Cemetery expansion, trail completion project, HWY 91 expansion project, Red Rock Park improvements

Important information to consider: This list of areas and projects does not include special events, sporting tournaments, regular maintenance and repair, unpredicted situations " tree falling in a storm", or citizen complaints.

They do great work and a lot of it.
