Out of the Desert

Envision a town with open spaces where children play, and neighbors gather. A town that encourages us to remember our heritage, celebrate our culture, and enjoy our unique environment.

YOU CAN MAKE IT HAPPEN!
Out of the Desert is a three-year project to raise funds to create a vibrant visual and physical environment along Center Street from Kayenta Arts Village to Black Desert Resort, filled with colorful art, sculpture and performance.

Proposed projects include:
• Sculpture for current and future roundabouts
• A mural on the Fire Station facing Heritage Park, celebrating Ivins City 100th anniversary.
• Transformation of utility boxes by local artists
• A guided walking tour through Ivins City

The Ivins City Arts Commission in partnership with Kayenta Arts Foundation is currently applying for matching funds from the National Endowment for the Arts to double the impact of your contribution. Our goal is to raise $150,000 from individuals and businesses through donations or pledges. Pledges may be fulfilled over the next three years. Please consider making a one-time, annual, or monthly contribution to support this worthwhile project. Donations are tax deductible.
