Brief statement of your education and/or experience in the arts or with arts organizations.
I hold a Bachelor of Science in Business Management Marketing from Brigham Young University-Idaho. My experience in the arts began as a Marketing Intern in 2019 at Tuacahn Center for the Arts. For the last 18 months, I have worked at Tuacahn Center for the Arts as a Marketing Manager, gaining valuable experience in arts administration, marketing, and community engagement. My background in business with an emphasis in social media marketing, combined with my hands-on involvement in the arts, equips me with a unique perspective and a passion for supporting the arts in Ivins City. I am eager to contribute my skills and knowledge to the Ivins City Arts Commission and help foster a thriving arts community.
