Hi Kari,

Attached are files containing images of the 8 entries for It's a Wrap! The first file contains a photo of the layout for entry #5. Five artists entered as a group, each side of the box features a different artist. The zip file has photos of the other 7 entries.

Artist Entries:
#1 Cheryl Sachse "Kayenta"
#2 Adele Greenleaf "Desert Beauty"
#3 Brad Johnsen "Coral Chasms"
#4 Ken Lima "Just Imagine"
#5 Group of 5 artists entered as one concept:
- Judith Hutcheson "Shoshone" and "Moki"
- Kathy Johnson "Desert Rain" and "Sunset"
- Waldo Kidd "Red Mountain"
- Ginny Northcott "Desert Shapes"
- Kimberly Beck "Oh The Places You'll Go"

#6 Robin Valline "Leaving Snow Canyon"
#7 Nancy Elstad "View from my Window"
#8 Darcy Saxton "Sun Serenade"

The top photo is artwork from Vista School students. The file is way too big to send and this is not the final layout for the utility box.
