TITLE 9 VEHICLES AND TRAFFIC

CHAPTER 2 TRAFFIC RULES AND REGULATIONS

9.02.102: ENGINE BRAKE ILLEGAL; PENALTY:

A. No person shall operate or permit the operation of any motor vehicle with a dynamic braking device engaged within the boundaries of the city, except to avert imminent collision or other similar uncommon dangers. The emitting of any compression noise shall be prima facie evidence of the use of engine compression.

B. "Dynamic brake device", “Engine Compression Brake”, “Jacobs Brake” or as commonly referred to as "Jake Brake", means a device used primarily on trucks for the conversion of the engine from an internal combustion engine to an air compressor for the purpose of braking without the use of wheel brakes.

C. Any person violating the dynamic braking device provisions shall be guilty of a class C misdemeanor, punishable per city code. Each day such violation is committed or permitted to continue shall constitute a separate offense and shall be punishable as such.
