Subject: Citizen Request For Future Agenda Items

Kari, please submit this request. Thank you.

Citizen Request For Future Agenda Items

Sharon Aspenberg
Saspen@kayenta.net, 435-634-8087

Ordinance, Policy or Legislative Item

The city should forbid overnight parking and storage of vehicles on resort commercial property unless they are enclosed.

This was happening at Coyote Art Village. It was visible from the road and residential homes around it. Some of the vehicles belong to Lance Anderson and it appears that at least one resident with a commercial vehicle was parking there. I reported it to public safety and was told it was allowed. I contacted Dale Coulum and he said he could not find anything in city codes that prohibits it. Thank you.
