Ivins City Staff Report
City Council Meeting 08/17/2023

Agenda Item: Consider Approval of Expenditure for Vehicles
Submitted by: Robert Flowers

Recommended City Council Action: Approve expenditure of $_138,144_____ for purchase of 3 Chevy Trailboss trucks

BACKGROUND: Purchase price on Vehicle State Bid

FINDINGS AND ANALYSIS:

- These vehicles are on state bid pricing

SUPPORT MATERIALS: This current year includes the purchase of 2 new vehicles. Following a thorough reassessment of this year's budget, the acquisition of two significant budgetary components from the previous year's allocation (namely, Axon body cameras and handheld radios) has enabled us to identify funds within this year's budget. These funds have now been allocated towards the procurement of a third vehicle. This reallocation involves shifting the funds initially designated for Capital Outlay Equipment and Capital Outlay Furnishings to Capital Outlay Vehicle.

Ford Explorers are currently unavailable, so the decision was made to opt for the purchase of trucks. Among the available options, the Chevy Trailboss emerged as the most financially advantageous choice, they are about $8500 lower than that of the Ford F-150.

FINANCIAL IMPACT:
Monies for this purchase are found within existing approved budget
