BACKGROUND: Hidden Springs RV Resort is located on 22.62 acres on the southern portion of Highway 91 between 200 West and Main Street. The proposed project layout represented in this application includes 109 RV sites, 26 future cottage sites and 10 tent sites, all of which are served with utilities. The project will include an approximate 9000 square foot clubhouse with a residential component on the second floor to house staff for day to day operations (first floor of 4720 sqft. And second floor 4183 sqft.), along with two separate 1200 square foot bathhouses providing restrooms and shower facilities. In addition to the clubhouse, a pool, hot tub and playground will be provided in the open space to suffice the required recreational amenities prescribed by ordinance. The resort will also provide 8.98 acres of open space exceeding the 7.95 acres (5%) required. Ivins City Ordinance addresses time limitations which prescribe the duration of stay allowed by guests designed to encourage short-term occupancy of the resort.
