CITIZEN REQUEST FOR FUTURE AGENDA ITEMS REGARDING ORDINANCES, POLICIES OR OTHER LEGISLATIVE ITEMS

Any person wishing to request an item to be discussed on a future agenda **that has not already been addressed previously**, should comment at this time. **This form is not for complaints or concerns that are not legislative. Complaints and other administrative matters should be directed to Staff.** A Citizen Request Form should be filled out in advance and given to the City Recorder. Remarks should be limited to **not more than two minutes, unless additional time is allocated by the Governing Body**. No action will be taken by the Mayor and City Council the evening that the item is addressed and all items will be referred to staff for follow up and a report.

Name & Address: CJ Koharcheck, 109 S. Puerto Dr.
(Please Print)

Email & Phone No.: cjhansen@psi.edu 626-483-5640

Ordinance, Policy or Legislative Item:

30,000 to 50,000 visitors are expected for the PGA this fall. Where are they going to park? DDR does not have enough spaces. There are solutions - but the city needs to think about this now and make sure the necessary organization is in place. Will we block off Padre

IC Form 1028 2022-01

space? Will homeowners be allowed to charge people to park in their driveways (Do we need a survey of residents in neighborhoods close to BDR to see what is preferred?) If all the parking lots in Irvine are counted, (church, school, businesses) how many do we have? How many might be available? RV parking?

On a related note, the city needs to decide whether or not STR laws will be enforced in that timeframe? Or can any of us turn our home into an STR that week?

The list goes on - traffic routing, shuttles, vendors, helicopter traffic over BDR, etc.

The city needs to list all possible impacts, possible solutions, the process needed to put the solutions in place, and who is responsible. We will need extra police on duty - how do we cover that cost?

I expect this topic will be addressed in many upcoming city council meetings
