FIRE DEPARTMENT UPDATE: January 2024

Emergency Response

- 1/24 - Structure Fire: ME31, ME32, M31, E131, BC31. Around 8 pm, on 1/21/24, SCIFR units along with Dammeron Valley Fire & Rescue E131 were paged to a structure fire in Ivins with reports of water flooding the home.

- 1/15 - ME32, ME31, MA31, E131 & BC31 responded to the VA Home around 0830 this morning for a reported commercial structure fire.

Risk Reduction (Fire Prevention)

- Fire administration met with the Deseret Preserve Initiative in Kayenta to work on fuel reduction strategies.

- Hydrant inspection update.
- Burn season update.

Stations & Vehicles

- Medic Ambulance 32 update

Training

- Crews attended UFRA's annual Winter Fire School from 1/14-1/20.

- 1/14/2024. On-duty crews simulated a downed firefighter located on a roof. Crews ran one-quarter of a mile in full gear, deployed ladders, took resuscitation equipment to the roof, and practiced life-saving measures.

Personnel Development

- Congratulations to our new paramedics. Paramedic service at both firehouses began on January 11th.

Volunteer Programs

- Fire Explorer Recruitment at Career Tech.
