Dear Elizabeth:

On behalf of Ivins City, I want to express our sincere gratitude for your generous donation of the magnificent photograph" Cottonwood Glory."

It has graced the walls of our Council Chambers over the last year and we were saddened at the thought of it being returned. With your kind donation it has now become a stunning addition to our emerging public art collection and has already become a focal point of admiration for our residents. The vibrant colors, intricate details, and unique perspective you were able to capture in "Cottonwood Glory" all point to your exceptional talent and creative vision.

Not only does your donation contribute to the cultural richness of our city, it also broadens our sense of community pride and identity. Art has the power to inspire, provoke thought, and enhance the quality of life for those who experience it. Your generous gift will undoubtedly have a lasting impact on the cultural landscape of Ivins.

Thank you for your valuable contribution to the arts in our community, not only with this donation, but also with your role on behalf of the City on the Arts Commission. Your generosity and dedication to enriching the lives of others through your art are commendable. We are honored to have your work as a new and important piece of Ivins' cultural heritage.

Sincerely,

Chris Hart
Mayor
