INTERLOCAL AGREEMENT BETWEEN THE CITY OF SANTA CLARA AND IVINS CITY TO CONSOLIDATE FIRE/RESCUE SERVICES

AGREEMENT made this 25th day of October, 2017, by and between the CITY OF SANTA CLARA (hereinafter "Santa Clara") and IVINS CITY (hereinafter "Ivins"). In this Agreement Santa Clara and Ivins are collectively referred to as the "Cities" or "SCI."

RECITALS:

A. Santa Clara and Ivins currently provide fire/rescue services within their territorial boundaries.

B. The Cities desire to make long-range plans for the continuation of fire/rescue services, including ambulance transport.

C. The Cities have determined that it is in the best interests of both communities to combine their fire/rescue services in order to obtain economies of scale, better service coverage, and to lower cost to each community.

D. The Cities therefore intend to consolidate their fire/rescue personal property assets under the ownership of Santa Clara into a single fire/rescue department to provide efficient and continuous services with an equitable funding system. Consequently, the Cities enter into this Agreement to further that intent.

E. The Utah Interlocal Cooperation Act, Utah Code Ann. §11-13-101 through 11-13-314 allows public agencies in the State of Utah to enter into agreements for the purpose of joint or cooperative action.

F. The Cities are "public agencies" of the State of Utah for purposes of Utah Code Ann. §11-13-202, and desire to enter into an Interlocal Agreement to consolidate the fire/rescue services

for Santa Clara and Ivins under the ownership/management of Santa Clara on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the promises, the mutual covenants and undertakings of the Cities, the receipt and sufficiency of which are hereby acknowledged, and in compliance with and pursuant to the provisions of the Utah Interlocal Cooperation Act, the Cities hereby agree as follows:

15. **Withdrawal**. Either City may withdraw from this Interlocal Agreement based upon the following terms and conditions:

a. Upon the giving of ninety (90) days prior written notice to do so, provided that said notice is given at least ninety (90) days prior to the end of the fiscal year (June 30) of any year. Specifically, in connection with the preliminary budget approval required to be given on or before March 1 of each year, if such approval is not given, the parties shall have until April 1 to resolve any issues or problems associated with the budget, and if such approval is not granted by April 1, it shall be deemed to be an election to withdraw from the Interlocal Agreement.

b. In the event that the Interlocal Agreement is terminated by either party, Ivins City shall receive back the fire and EMS vehicles it transferred to Santa Clara pursuant to this Agreement, with the remainder of personal property fire/rescue assets divided according to the percentages set forth in paragraph 18 hereof. 17. **Non-Funding.** The Cities acknowledge that funds are not presently available for performance of this Agreement beyond the close of each respective fiscal year. Each City's obligation for performance of this Agreement beyond that date is contingent upon funds being appropriated for payments due under this Agreement. If no funds or insufficient funds are budgeted and appropriated in any fiscal year, or if there is a reduction in appropriations of either city resulting in insufficient funds for payments due or about to become due under this Agreement, then this Agreement shall create no obligation as to such fiscal year, but instead shall terminate and become null and void for that City on the first day of the fiscal year for which funds were not budgeted and appropriated or, in the event of a reduction in appropriations, on the last day before the reduction becomes effective (except as to those portions of payments herein then agreed upon for which funds are appropriate and budgeted). Such non-funding shall not be construed as a breach of or default under this Agreement and shall be without penalty, additional payments, or other charges of any kind whatsoever to the City, and no right of action for damages or other relief shall accrue to the benefit of the City who has budgeted for continuing services.

18. **Fees for Services**. Annually, Ivins City shall pay a fee (the "Fee") to Santa Clara for services provided. The Fee for such services shall be based on a formula which equitably allocates the cost of the Basic Services. Initially, in the first year (July 1, 2018 ~~2017~~, to June 30, 2019 ~~2018~~), the percentage shall be paid 55% from Ivins City to Santa Clara, and Santa Clara shall bear the other 45%. After the first year the formula shall be recomputed based upon 50% of the weight being applied to the proportion of highest estimates of occupied units, as of February 1 of each year. The other 50% shall be determined based upon most recent available

population estimates of Ivins and Santa Clara as of February 1 of each year. Included in the SCI Fire/Rescue Department Budget, and subject to division by the fee structures set forth above, shall be the direct Operational Costs of the SCI Fire/Rescue Department, but shall not include administrative expenses or cost of space. In the event that costs associated with the SCI Fire/Rescue Department exceed budget or are anticipated to exceed budget in any given fiscal year, Santa Clara agrees to immediately notify Ivins City, who shall proceed in good faith to consider an increase in budget and to amend its budget accordingly. Specifically, the parties agree with respect to variable expenses, such as overtime, that reasonable budgeting for such expenses shall be made.

19. **Remittance**. Quarterly, Ivins City shall remit 25% (or such other percentage or frequency as Ivins and Santa Clara shall agree) of its respective Fee to Santa Clara at the following address (or at such other address as Ivins may from time to time specify):

Santa Clara City

The payment shall be billed on the first day of each quarter by Santa Clara to Ivins City. Starting with January 1, 2018, ~~2017~~, and on the 1st day of each quarter thereafter for the term of this Agreement, Ivins City shall remit the funds to Santa Clara within thirty (30) days after receipt of the Invoice. If the day the payment is due and payable it is (a) a legal holiday, (b) a Saturday; (c) a Sunday, or (d) another day on which weather or other conditions have made the billing address inaccessible, the payment shall be due and payable on the next day which is not one of the aforementioned days. 20. **Failure to Pay Fee**. In the event Ivins City fails to pay its Fee within thirty (30) days after written notice from Ivins or fails to appropriate and budget its Fee (under the non-funding provisions above, or otherwise), for whatever reason, then at Santa Clara's option and upon written notice to Ivins City, Santa Clara shall be deemed to have given the requisite 90 days notice to terminate this Agreement.
