With great pride and appreciation, the Ivins City Council and SCI Public Safety would like to extend our heartfelt honor to Sandy Ames for her exceptional dedication and fifteen years of service to our community.

Sandy's commitment to her role as a school crossing guard has been remarkable. Rain or shine, for fifteen years, she has dutifully stood at her post, ensuring the safety of our children as they travel to and from school. Her presence has become a comforting constant in the lives of our community members. Sandy has pledged to continue her dedicated service as a Crossing Guard until she reaches 100 years old. The love and admiration Sandy has received from the children she serves truly speaks volumes about the impact she has made. A few years ago, a student crafted a clay statue in Sandy's likeness, which not only won a prize at the Red Mountain Elementary Evening of the Arts but was also later gifted to Sandy. This heartwarming gesture reflects the connection she shares with the children of our community.

As we present Sandy with this well-deserved award, let us express our gratitude for her unwavering service, her compassion, and the profound impact she has had on the lives of our children. Sandy, your dedication inspires us all, and we are profoundly grateful for your fifteen years of service to the Ivins community.

With sincere appreciation on this 7th day of March, 2024,

Ivins City Mayor on behalf of Ivins City Council and Chief of Police Bob Flowers on behalf of SCI Public Safety:
