FIRE DEPARTMENT UPDATE: May 2024

Emergency Response

- Please see the attached ESO Report

Community Relations

- Crews provided fire safety education and a tour of the apparatus at Santa Clara Elementary (5/17)
- Crews provided the annual end-of-school-year water event for kids and Santa Clara Elementary, Vista School, and Red Mountain Elementary.

Administration

- The monthly County Fire Chiefs meeting was held in Hurricane to discuss the 8000mhz radio alerting system. Deferred maintenance has required the upgrading of several radio towers at a cost of approximately 250k. It is proposed the cost be equitable and deferred to the County. (5/20)

Stations & Vehicles

- All resources are in full service.

EMS

- SCIFR provided standby support for the Iron Man Event with 2 medical ambulances and 1 Razor ATV. The Iron Man Corporation reimburses the department above and beyond all expenses. (5/4)
- Administration met with Gold Cross Services. To date, they have billed approximately 500k. Net revenues so far are 30k.

Training

- Crews conducted high-angle rope rescue at the Black Desert Resort to simulate the rescue of construction personnel and those commonly encountered in the wilderness environment. Although the Sheriff's personnel provide Search & Rescue oversight, municipalities are required to make access to patients to provide immediate paramedic-level treatment before help can arrive. (5/6,5/16,5/20)

- SCIFR is preparing to hire three personnel to back-fill existing positions so that we will be fully staffed with 15 shift firefighters and 9 reserve personnel come July 1st.

Volunteer Programs

- David Williams and staff conducted CERT training at the Center Street station. (3/14)

Risk Reduction

- Crews continue to test fire hydrants in the Kayenta area: 120/155 fire hydrants have been tested. The fire hydrants located at, 453 Shinava, 1447 Sand Hill Circle, 1743 Wintook Dr, 1064 Kanavi Way, 1135 Coyote Gulch Cir & 1300 Kotori, required repair or mitigation. (5/1,5/15,5/22).
