Ivins City Staff Report
City Council Meeting 7/18/2024

Agenda Item: Approve expenditure of Parks Mower

Submitted by: Marc Christensen, Parks and Recreation Director

Recommended City Council Action: Approve expenditure of $15,177 for Parks Mower

BACKGROUND: The current fiscal year (FY25) budget includes the purchase of a Walker Mower for the Parks Department to replace the current 1995 mower. The old mower needs to be replaced due to its extensive hours (over 1,800) and its age (29 years) and is showing a significant amount of wear.

The old 1995 mower will be used as a backup mower and used on the small park properties on an as needed basis, or until the mower has too many mechanical issues.

FINDINGS AND ANALYSIS:
Staff is recommending that we replace the 1995 mower with a 2024 Model H 38HP Kohler with a 42" Deck. These mowers have been very reliable for the Parks team, and we expect this mower to last the city for years to come.

Ivins City has obtained a bid from Colorland Power Equipment out of St. George as they are the sole provider of Walker Mowers in Southern Utah. Their price of $15,177 falls well within the budgeted amount for the new mower.

SUPPORT MATERIALS:
- Bid proposal from Colorland Power Equipment

FINANCIAL IMPACT:
The original budgeted amount was $35,000.
Parks Fund (10-7574.0) = $15,177 = 100% of cost

Respectfully Submitted:
Marc Christensen, Parks and Recreation Director
