Ammended Ivins City Staff Report
City Council Meeting 7/18/2024

Agenda Item: Approve expenditure of Building Department inspector vehicle.

Submitted by: Mike Haycock, MCP Building and Zoning Administrator

Recommended City Council Action: Approve expenditure of $33,293.00 for Building Department truck purchase

BACKGROUND: The current fiscal year (FY25) budget includes the purchase of an additional work truck. This truck is for the new Commercial Inspector. The Ford escapes have shown not to be functional for inspection services as they often bottom out and are not made for construction terrain. The Ford escape that is currently being driven will be used by Building Department Office staff and for travel.

FINDINGS AND ANALYSIS:
The vehicle initially requested was sold off lot. Young Chevrolet has a Colorado 4 WD that was added to their inventory. The State bid offer is 33,293.00. The only add on is a bed liner. The vehicle has better clearance and is 4 wheel Drive.

My recommendation is The Young Chevrolet price because they are in the State Bid Cooperative and the vehicle as of 17 July was available. They are familiar with the State Purchasing procedures. Attached are the specifications.

SUPPORT MATERIALS:

- Bid proposal from Larry H. Miller

FINANCIAL IMPACT:
$32,430 from General Fund

BUDGET:
$35,000
