Ivins City Staff Report

City Council Meeting 7/18/2024

Agenda Item: Approve expenditure of Public Safety Patrol and K9 vehicles.

Submitted by: Jaron Studley, Director of Public Safety

Recommended City Council Action: Approve expenditure of $130,778.00 for one patrol vehicle and one K9 vehicle.

BACKGROUND: The current 2025 fiscal year budget reflects the purchase of two patrol vehicles. One vehicle will be equipped with a package that is suitable for our K9, Copper. The current K9 vehicle is experiencing electronic issues related to high mileage and patrol use, making it unsafe to keep Copper inside the vehicle during a patrol shift. The other patrol vehicle will be replacing a high mileage vehicle used in patrol that is experiencing mechanical issues related to high mileage, heavy idling, and heavy patrol usage.

FINDINGS AND ANALYSIS: Staff recommends the city purchase two new 2024 Chevrolet Tahoe, fleet vehicles. These vehicles will go to patrol to replace aging fleet vehicles that are needed for maintaining public safety needs. These two vehicles were ordered in November of 2023 so that last 2024 pricing could be had at a build date of July 2024. Any vehicles purchased after July 2024, would be on a build date of 2025 and thus subject to 2025 vehicle pricing, which is significantly higher.

Young Automotive Group has worked with Ivins City for several years to provide patrol vehicles at the Utah State contracted price, which is significantly less than fleet vehicle sales in Washington County and other dealerships throughout the state of Utah.

SUPPORT MATERIALS: Included in this report will be the Utah State contract bid for the two police vehicles. The Chevrolet Tahoe has proven to be a unique vehicle suited well for patrol use, as it can store much of the required equipment needed for a patrolman's daily enforcement routine. It also provides a spacious environment for a K9 kennel required for the use of a police dog.

Also included, will be the equipment packages for a patrol vehicle and a K9 vehicle from EVS. EVS is an emergency vehicle upfitting business locally owned and operated in Washington County. They provide emergency lighting, radio's, sirens, sticker decals, and installation for such vehicles to all vehicles owned by SCI Police Department. They are the sole source of emergency equipment for public safety agencies south of Utah County.

- Bid proposal from Young Automotive Group
- Bid proposal from EVS- Emergency Vehicle Solutions

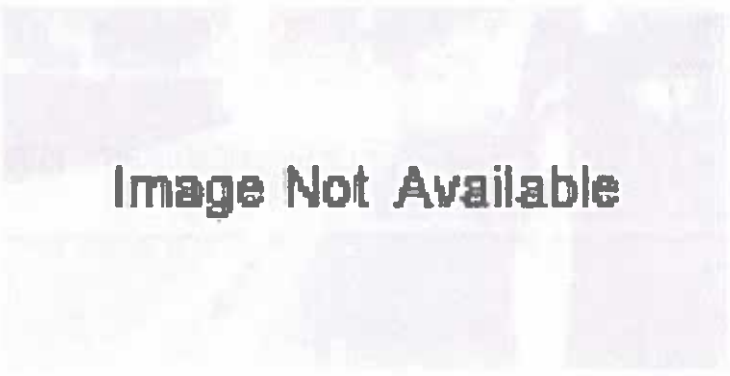

FINANCIAL IMPACT: Purchasing the two vehicles in July will exhaust the Capital Outlay- Vehicle fund for fiscal year 2025, however, no other vehicles are expected to be purchased for the year.

Jaron Studley, Chief of Police

Dale Coulam, City Manager

Young Automotive Group

[Fleet] 2024 Chevrolet Tahoe (CK10706) 4WD 4dr Commercial (8)

GOVERNMENT PRICE PER VEHICLE: $50,833.00

TWO VEHICLES = $101,666.00

Young Automotive Group

[Fleet] 2024 Chevrolet Tahoe (CK10706) 4WD 4dr Commercial (8) (✓ Complete)
