Ivins City Staff Report
Planning Commission Meeting 9/17/24

Agenda Item: Preliminary Plan Extension Report for The Retreat at Snow Canyon West Residential, Phases 1 through 7, located at approximately Puerto Drive and 400 South. EWD, LLC- Owner/Applicant.

Submitted by: Mike Haycock, Building & Zoning Administrator

Recommended Action: Staff Recommends approval. TRC reviewed on 8/27/24 and recommends approval.

DISCUSSION: The Retreat at Snow Canyon West Residential Phases 1 through 7 consist of 195 lots on 66 acres. The land use is Low-Density Residential, Medium Residential and RMU. The property is zoned RE-37, R-1-10, R-1-7.5 and RM, which are all zones allowed for those densities. The proposed density and use is consistent with the Land Use Map.

PURPOSE OF THE PRELIMINARY PLAN: A Preliminary Plan application is the second step in the subdivision process. Its purpose is to show Staff and the Planning Commission that the application has been reviewed to make sure it conforms to the zoning, and subdivision code requirements and to verify utilities and grading before preparing the final mylar for signature and recording. Property address, certified legal description prepared by a Utah licensed surveyor, acreage, dimensions and tax identification number were reviewed, as well as;

Existing streets (with names) and right of way widths, buildings, culverts, bridges, waterways, irrigation ditches and systems, wells, springs, utilities, fencing, easements, rights of way, flood boundary, surface watercourse features, geologic hazards, parks, trails, open space, storm drain and sanitary sewer systems, topography (contours at maximum 2 foot intervals), survey monuments, section lines, other features and infrastructure on or adjacent to the property or as requested by the city manager, city engineer or other appropriate city staff member;

Proposed subdivision boundary and dimensions, streets (with names and widths), lot layout, lot sizes and dimensions, phasing, gross lot density, curbs, gutters, park strips and landscaping, waterways, demolition, sidewalks, fencing, easements, parks, trails, open space, public land dedications, storm and subsurface drainage systems, detention areas and potential flood boundary, sanitary sewer system, utilities, soil erosion and sedimentation control plan and any other infrastructure or improvements on or adjacent to the property and any other information requested by the city manager, city engineer or other appropriate city staff member;

"Preliminary grading plan", as defined in chapter 2 definitions of title 15, Subdivision Regulations, and in accordance with the standard specifications;

Designation of common areas and amenities available for use of residents, commercial area customers and the general public;

Preliminary landscaping plan; Preliminary lighting plan; The acreage and legal description of the area to be subdivided; and

All property lines of adjacent properties within one hundred fifty feet (150') of the boundary of the proposed subdivision with the names of the owners and the parcel tax identification numbers. (Ord. 2016-02, 2016) as well as a draft Development Agreement.

FINDINGS AND ANALYSIS:

- The preliminary plan application is complete. This is a request for an extension as the time for the preliminary plan deadline is due to expire.
- The subdivision complies with City ordinances by obtaining and satisfying any documentation requested by city engineer or other appropriate city staff member regarding agreements with adjacent owners, agreements for the provisions of utilities and easements, encumbrances, traffic impacts, and compliance with federal, state and local requirements.
- TRC reviewed on 8/27/24 and recommends approval.
- No code changes have occurred since the applicant's last submittal that would affect this extension.
